48th Annual State 4-H Horse Show — Huge Success

The 48th annual State 4-H Horse Show was held in Abilene, Texas on July 24-31, 2010 at the Taylor County Expo Center. Many thanks go out to Ms. Rochelle Johnson, her staff and host CEA's Kit Horne and Robert Pritz for helping make this show a high quality event for the 4-H'ers and their families. This year's show was dedicated in memory of Mr. Alfred "Mac" Gilliat, a respected member of the State Show Management Team and former Texas AgriLife Extension employee. Our deepest sympathies go out to his family.

4-H'ers from 144 counties across Texas were entered in the show this year. A total of 688 4-H'ers entered approximately 900 horses in the horse show. That combination of 4-H'ers and horses resulted in

over 1984 entries in the horse show.

The High Point Winners in each of the six divisions are listed below: Stock Horse Division—Zinn Lindsey, Stonewall County; Roping Division—Hayden Hill, Armstrong County; Hunter Flat Division—Morgan Redwine, Taylor County; Hunter Fences Division—Savanna Day, Taylor County; Timed Event Division—Kaley Mathis, Haskell County; Western Judged Division—Morgan Redwine, Taylor County.

For the tenth year, Wrangler has awarded \$700 scholarships to the graduating senior 4-H'er that accumulates the greatest number of points in each of the six divi-

sions at the State Horse show. The winners were: Stock Horse—Claire Eggers, Palo Pinto County; Roping—Logan Dee Harkey, Wilbarger County; Hunter Flat – Anna Haines, Bexar County; Hunter Fences—Alicia Erwin, Wise County; Timed—Joshua Marshall Milikien, Bexar County; and Western Judged—Anna Haines, Bexar County.

Special thanks to those agents, volunteers and parents that served on the Horse Show Management Team. This activity was a tremendous success. Congratulations to all of the Texas 4-H'ers who attended the show. The 49th—51st State 4-H Horse Shows will be held at the Taylor County Expo Center in Abilene.

State 4-H Horse Show Dedication

The 2010 Texas State 4-H Horse Show was dedicated in memory of Alfred "Mac" Gilliat, Jr. Many of Mac's family members and close friends were able to attend the ceremony that was held

on Monday night just prior to the Drill Team competition. The members of the Texas State 4-H Horse Show Management Team would like to express our deepest sympathies to his family and thank

them for sharing Mac with us for all of these past years.

Dates for 2011 State 4-H Horse Show

The 49th Annual Texas State 4-H Horse Show will be held July 23—30, 2011. Look for the com-

plete schedule in the January-April edition of the CEA Horse Newsletter, which can be found

online at <http://animalscience.tamu.edu/academics/equine/index.htm>

2-Year-Old and 3-Year-Old Futurity Projects

The 2-Year-Old and 3-Year-Old Futurity classes went well at the 2010 State 4-H Horse Show, following the changes in the class structures from previous years. The number of entries in the 3-Year-Old Futurity class increased from 23 (2009) to 26 (2010). Changes made in 2010 will remain in place for 2011.

As a reminder, the reasons behind these changes were to:

1. Provide a more challenging training project for older, more advanced 4-H'ers.
2. Provide more opportunities for a wider range of youth across the state.
3. Emphasize overall "brokenness".
4. Add other elements of interest.
5. Establish more uniform judging criteria with more emphasis on

learning from the training and showing experience.

6. Promote more fairness in competition and evaluations.

2-Year-Old Futurity Project

Competition consists of 3 Go-rounds:

1st Go-round – A "pleasure" pattern which requires 10 maneuvers (ex. Walk, jog, extended jog, lope) which are each scored 0-10 pts for a total of 100 points possible.

2nd Go-round – Consists of a simple "versatility" pattern which involves going over some obstacles, loping circles, stopping and backing.

3rd Go-round (Finals) – Top 15 will come back and will work on the rail in a group pleasure class. Final placing will be determined by combination of all 3 go-rounds.

3-Year-Old Stock Horse Project

Competition will consist of 4 go-rounds, in which riders will be scored individually. Score sheets will be posted following each go-round. Final placing will be determined by combination of all 4 go-rounds.

1st Go-round – Pleasure pattern consisting of 10 pleasure maneuvers.

2nd Go-round – Simplified Stock Horse Trail Pattern

3rd Go-round – Shortened Reining Pattern

4th Go-round – Cow work which will consist of a short dry work followed by boxing a cow on the end of the arena.

Class rules are available in the Texas 4-H Horse Show Rules and Regulations online.

Futurity Rule Reminder

This is a reminder for the 2011 Texas 4-H Horse Show. 4-H'ers validating a futurity project horse must be at least 12 years

old. This means that on August 31st, 2010, the beginning of the current 4-H year, the 4-H'er must be 12 years old or older to nomi-

nate and exhibit a futurity project in 2011.

Texas 4-H Horse Show Rules and Regulations

The Texas 4-H Horse Show Rules and Regulations will undergo some revisions before becoming available early in 2011.

A revised rulebook will be published and made available on

the following website: <http://animalscience.tamu.edu/academics/equine/index.htm>. Click on State 4-H Horse Show and 2011 State Horse Show Rules and Regulations. If you

have any questions about the rulebook, contact Teri Antilley at tjantilley@ag.tamu.edu or Dennis Sigler at dsigler@tamu.edu.

The clinic is open to youth and adults. For more information, please contact **Vickie Hoggett at (254) 897-9180. Check the website below for up-dated information.**

<http://www.reiningintexas.com/>

Statewide Youth Reining Clinic

The annual Texas State Youth Reining Horse Clinic details will be available soon. Youth attending must be a bonafide 4-H member and bring a horse they want to improve in executing all basic maneuvers. The horse does not have to be a reiner. If under 18, members must provide their own parental or volunteer supervision. Topics will include lateral flexion and forward

momentum, circles, spins, stops, rollbacks, and lead changes. All participants will receive "hands-on" practice and assistance throughout the clinic. This clinic is a project of the Texas State 4-H Horse committee. For additional information, contact **Vicki Hoggett at (254) 897-9180 and/or visit www.reiningintexas.com.**

38th Annual Summer Horsemanship School Program

This year, 8 college students (8 female, 0 male) were hired as Horse Program Assistants and partnered up to teach horsemanship schools across Texas. Six of the 8 instructors were new to the program. Twenty-seven schools were conducted in 27 different counties, reaching 10.6 % of the 254 counties in Texas. Seventeen counties hosted 2-day schools, while 10 counties

hosted 3-day schools. There were 64 total teaching days that resulted in 512 teaching hours. The program reached 713 different 4-Hers, parents and volunteers. Average attendance was 26 persons per school, with 16 riders and 10 adults watching. Instructors traveled 5,793.38 miles, not including inner city mileage, for an average of 8.13 miles per person reached.

Over the 38 years, 1,302 schools have been conducted, reaching 45,874 youth, parents and volunteers. The program represents 3,731 teaching days, for a total of 29,848 teaching hours. There have been 220 different instructors (173 female, 48 male) who have served as Horse Program Assistants.

39th Annual Summer Horsemanship Schools

The 39th Annual Summer Horsemanship School fees will be slightly reduced in 2011. Two -day schools will be \$1100, and three-day schools will be \$1300. The schools are a great value for the amount of time and instruction given to participants. The table below provides information on the approximate amount that should be charged to each youth or adult rider, depending upon the amount of riders that attend. We recognize that counties utilize different methods of paying for the schools. The table below should be helpful to those coun-

ties that pay the cost with user fees.

It should be noted that, although a large number of participants are youth riders, adult riders are welcome and encouraged to participate in the schools; however including adult riders is a decision that is left up to each individual county. Counties are highly encouraged to team-up with neighboring counties, if they do not have enough riders to fill the school. Maximum attendance is suggested to

be 30 riders, in order to maintain a good student to instructor ratio.

Request forms for 2-day and 3-day schools for 2011 are found at the end of this newsletter. These forms, along with a deposit of \$300.00, are due by **January 31, 2011**. The remaining balance of \$800.00 for a 2-day school and \$1000.00 for a 3-day school is due by **May 15, 2011**. For questions or more information, please contact Teri Antilley, Horse Program Specialist, at 979-845-5264 or tian-tilley@aq.tamu.edu.
