

Department of Animal Science

Off-Campus Transfer Suggestions for

Animal Science Majors

Effective for applicants applying for Fall 2014 or after.

The following items are required for consideration to transfer into the Animal Science Department as an Animal Science major, in addition to the University and College of Agriculture and Life Sciences requirements:

- Have completed at least 24 graded transferable hours with a cumulative GPA of at least a 3.0 to be competitive.
-
- Science Option
 - Complete CHEM 101, CHEM 111
 - Complete CHEM 102, CHEM 112
 - Two core curriculum Maths – MATH 141 & MATH 142
 - Production Option
 - Complete CHEM 101, CHEM 111
 - Complete BIOL 111 or BIOL 107
 - Two core curriculum Maths – MATH 141 & MATH 142
-
- Emphasis will be placed on students maximizing transfer hours fulfilling University Core Curriculum.
 - Excessive grades of D's, F's, Q's, NG's and/or W's should be addressed in your essay. What have you done to correct this performance?
 - As a transfer applicant you are required to complete Essay A as part of the application. Open the Essay A document and answer the following questions in your essay:
 1. Why do you want to be an Animal Science major?
 2. How will an Animal Science degree help you achieve your career goals?
 3. Explain any excessive grades of D's, F's, Q's, NG's and/or W's, if necessary.
