How to Use the “Candidate PDF P&T Dossier Template”

To add each required document to this PDF under the bookmarked Title Pages follow these steps:

1. Save the documents to be added as a PDF. To make a PDF from Word or Excel:
   a. Go to: File
   b. Save as
   c. From the Format pull down menu select PDF
2. Open the "Candidate PDF P&T Dossier Template"
3. Click the "Thumbnail" view on the left side of the document
4. This will display the Thumbnails of the bookmarked Title Pages
5. Drag the PDF file of the document you want to insert under the Title Page for that specific document (Shown as a blue arrow)
6. All the pages of that document will appear under the Title Page in the Thumbnails
