Lechner Scholars Fellowship  
College of Agriculture and Life Sciences

The Walter W. Lechner Estate endowment was established to promote matriculation and progress of graduate students accepted into the graduate programs at TAMU. These students will be designated as Lechner Scholars. Awards will be made on a competitive basis.

Selection 
- Selection will utilize the rubric attached to the application form. The departmental rubric score will be used to rank multiple applicants from the same department; therefore the department should develop a consistent system to complete the rubric, as opposed to individual faculty completing the rubric. In addition, a college produced rubric score will be used to rank applicants overall.

Nomination Packet should include: 
1. Complete the Nominating Cover Form 
2. Complete the one page nominating letter from the Department or Faculty Advisor 
3. Complete the Scoring Rubric - Supporting Information

Deadline: TBA
