

Aggies Impact Policy!

Aggies Impact Policy—Learn How!

Aggies like you are impacting public policy at all levels of government!

The **Agricultural & Natural Resources Policy (ANRP) Internship Program** can help you find a policy-related internship that fits your professional and personal interests.

As an ANRP intern, you will obtain an important and rare education—an understanding of the policy process that will influence the industry in which you will later work.

All College of Agriculture & Life Science majors are encouraged to apply!

Come experience the policy process first-hand!

ANRP offers multiple internship locations:

Washington, D.C.	Austin, TX	Rome, Italy
Congressional offices National Farmers Union National Association of Wheat Growers House Committee on Agriculture	Legislative offices Texas A&M AgriLife External Relations Texas Farm Bureau Special interest Ag groups State government agencies	Food & Agriculture Organization of the United Nations (FAO)
