2021-2022 South Texas College/TAMU Transfer Agreement  
 Completed Associate's Degree from South Texas College

## Degree Plan for Bachelor of Science in Agricultural Economics, Bioenvironmental Sciences, Poultry Science, Food Science and Technology, Plant and Environmental Soil Science, or Horticulture

### Requirements:

- Students may have to complete College Algebra (MATH 1314) at South Texas College before taking MATH 1324 or 1325.
- Courses listed must be completed with a grade of C or better.
- **To transfer into Agricultural Economics and Bioenvironmental Sciences, students must have a GPA of 2.75 or higher.**
- **To transfer into Poultry Science, Food Science and Technology, Plant and Environmental Soil Science, or Horticulture, students must have a GPA of 2.5 or higher.**
- Students interested in Agricultural Economics must provide documentation if there are 3 or more grades of F, D and/or W on the transcript.

We encourage students to meet with their academic advisor at South Texas College to discuss degree requirements. For questions regarding transfer to Texas A&M University, students may contact Reid Stavinoha [reid.stavinoha@ag.tamu.edu](mailto:reid.stavinoha@ag.tamu.edu).
